OUR SERVICES AT A GLANCE

Wayside House understands that women suffer addiction differently than men. Women recovering in an environment created just for women remain in treatment longer, achieve better abstinence rates and are more than twice as likely to complete treatment.

OUR PROGRAMS:

Every woman with an addiction comes to us with a different set of circumstances. We provide a variety of choices, programs and services that focus on each woman individually and holistically.

- Residential 90-day program
- PHP (Partial Hospitalization Program)
- IOP (Intensive Outpatient)
- Outpatient
- Parenting Training
- Alumni Services

TREATMENT SERVICES:

- Individual & Group Therapy
- Dual Diagnosis Treatment, including Eating Disorders
- Psychiatric & Medication Management
- Nursing Services
- Case Management
- Medication Assisted Treatment (MAT)
- Life Skills Training
